

CAVING

Caving 2026

11–13 August 2026 | Shangri-La Hotel, Ulaanbaatar, Mongolia

SPONSORSHIP & DISPLAY OPPORTUNITIES

BACKGROUND

The ACG Caving series provides a platform for mining companies to be kept informed of the latest technological developments from caving research carried out by industry and academia.

The Australian Centre for Geomechanics, a not-for-profit mining research organisation at The University of Western Australia, looks forward to hosting Caving 2026 in Mongolia.

This follows previous events held in Adelaide in 2022, Vancouver in 2018, Santiago in 2014, Perth in 2010, and Cape Town in 2007.

PROMOTION

The ACG is undertaking a niche marketing campaign to promote this conference to local and international professionals via:

- Internet marketing: promotion via the dedicated conference website, ACG website and other mining event websites
- Industry association including The University of Western Australia
- Promotion of the event in the ACG communications distributed to nearly 10,000 mining professionals worldwide
- Social media promotion to over 10,000 LinkedIn followers
- Media support and coverage from reputable industry journals, magazines and newsletters
- International and local exposure through the activities and support of key industry personnel
- Regular communication to ACG mining event past delegates
- Promotion at selected ACG and international geotechnical engineering events

* The ACG reserves the right to alter the format of the event.
